

Mystery Quilt 2015
 Phase 3 – Block X
 May 11, 2015

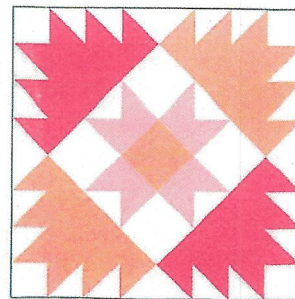

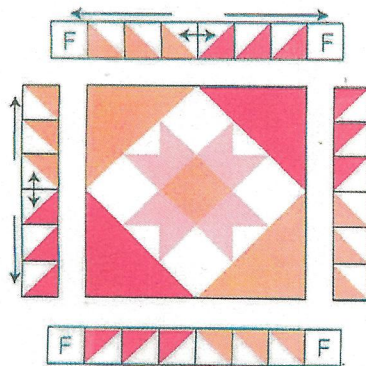

For Block X center:

- Lay out four (4) second dark half-hour glass units, four (4) white D squares, and a bright D square.
- Sew into rows.
- Sew the rows together.
- Sew bright E triangles to the sides, and first dark E triangles to the top and bottom. Make four (4)

Block X center – make four (4)

1. Paying attention to color placement, join three (3) first dark and three (3) bright HST units to make a side block unit. Make two (2).
2. Sew one to each side of the center unit. Join three (3) bright and three (3) first dark HST units to make a top border unit; the order of the color HST units is different from the side border units. Make two (2).
3. Add white/cream F squares to each end of the border units and sew to the top and bottom of the block center. Repeat to make 4 X blocks.

Block X - make four (4)
