

Part 5

Add Borders

Step 1: “Square up” the quilt so that width and height are uniform, and corners have right angles.

Inner Border

Step 2: Cut (8) 2½” strips from the **black** fabric.
Sew strips end to end making one long continuous strip.
Sew strips to the top and bottom of the quilt. Trim and press toward **black**.
Sew strips to each side of the quilt. Trim and press toward **black**.

Pieced Border

Step 3: Use Border Blocks from Part 3. Stitch blocks end-to-end into 4 “rows.”
2 rows will have 8 blocks; 2 rows will have 11 blocks.

Step 4: Sew short rows to the top and bottom of the quilt.
Press toward the inner border.

Step 5: Cut (1) 4½” strip from the **black** fabric.
Cut (4) 4½” squares from the strip.
Sew a black square to each end of long rows.

Step 6: Sew long rows to each side of the quilt. Press toward the inner border.

Outer Border

Step 7: Cut (9) 2½” strips from the **black** fabric.
Sew strips end to end making one long continuous strip.
Sew strips to the top and bottom of the quilt. Trim and press toward **black**.
Sew strips to each side of the quilt. Trim and press toward **black**.
